### AND MORE!

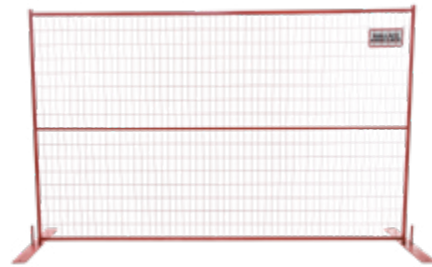

**When your site needs to be secure, call the perimeter security experts at 204-452-2700.**

### Galvanized Anti-climb Panel

Premium grade construction defines our standard rental panel. They're strong, durable, and versatile enough for most temporary fencing applications.

<b>Dimensions: (HxL)</b>	6x12
<b>Best for:</b>	Construction, garden centers, special events, backyards
<b>Base:</b>	Composite/steel
<b>Clamp:</b>	Standard

### Red Anti-climb Panel

This panel's design runs low to the ground ensuring pets can't escape or unwanted critters can't wander under and in.

<b>Dimensions: (HxL)</b>	6x9.5
<b>Best for:</b>	Dog runs, residential applications, special events
<b>Base:</b>	Steel
<b>Clamp:</b>	U clamp

## Crowd Control Fence

Our classic galvanized crowd control fence is easy to install and ensures organized, safe pedestrian flow.

<b>Dimensions: (HxL)</b>	3.5x8
<b>Best for:</b>	Crowd control, special events, patios
<b>Base:</b>	Attached legs
<b>Clamp:</b>	Hook

## VIP Event Fence

This ornamental panel brings elegance and polish to your perimeter's security.

<b>Dimensions: (HxL)</b>	3.5x8
<b>Best for:</b>	VIP events, patios
<b>Base:</b>	Steel
<b>Clamp:</b>	None
