

MOBILE FENCE M350

Simple, effective temporary fencing

When it's time to set some boundaries, consider this budget-friendly option for site protection from Heras.

Ideal for locations that do not pose significant risk, these panels have deliberately wider mesh openings which reduces the price but makes it less difficult to climb.

- Attractively priced
- Easy to handle
- Lightweight

A durable mobile fence that's easy to set up

These panels can be assembled and disassembled by one person. The pre-galvanized mesh has no sharp edges making installation safe and easy. A custom sign visible on both sides of the fence line can be fitted.
